Exodus 20: 1-24

The 10 Commandments

This week the children have been hearing of when God led the people of Israel to mount Sinai. Here He spoke to them personally and gave them His Law, which is the spoken word of God for man to obey. This was given in the form of the Ten Commandments.

The children will hear how the Ten Commandments were given to show that none of us are able to obey God's law perfectly, and so rightly deserve God's justice. They will also hear how one man, Jesus Christ, was able to obey this law perfectly and offers to swap his perfect record for our imperfect record if we have faith in him.

Memory verse:

By the obedience of one, many will be made righteous.

Romans 5:19

Song List:
